Cr.Misc. No.26025 of 2008
RAMESH SINGH @ NANKI SINGH
Versus
STATE OF BIHAR
---

2. 30.7.2008 Heard.

The allegation is that the petitioner poured acid on the head and on various parts of body of the victim Randhir Kumar. The injuries have been detailed by the learned Sessions Judge in his rejection order along with the opinion of the doctor and that clearly supports the allegation. The dimension of the injury is such as not permitting this court to direct the release of the petitioner on bail. Petition is dismissed.
